Spiderweb

What is Real Dial Size?

All characters are measured from the lowest possible point to the highest. In Spiderweb, the Basic image will cut according to the selected size, and all features are designed to fit it proportionately. If Real Dial Size is selected, all characters will be cut according to the size specified.

10.5" Images should be cut at 10.5". When finished, image will measure approximately 22" x 22". Spiderweb is designed to work well on a door, wall or window.
